State WAN Users Group

Meeting: **January 13, 2004, 1:30pm – 3:30pm**
Location: **State Office Building, Room B110**

WAN Users Group - Purpose
Get the most value from the state WAN.

WAN Users Group - Objectives
♦ Enhance your understanding of the state network infrastructure.   ♦ Collaborate on setting direction for state WAN enhancements, security and operations.   ♦ Interact with other users of the state WAN and exchange ideas about technologies.   ♦ Contribute to developing ITS operational and support procedures.   ♦ Influence the WAN rate.

Meeting Agenda

Information Sharing

1. Michael Allred - ITS security objectives.
2. Michael Allred - Various state security groups.

Working Session

3. Everyone - What basic level of security should be included in the WAN product?
4. Everyone - What add-on security products/services should ITS offer?
5. Everyone - What should be ITS' versus Agencies' WAN security responsibilities?
6. Everyone - How should ITS and Agencies work together on WAN security?
